MEMORANDUM FOR The Chief of Staff, United States Army  
National Defense Building

SUBJECT: Inspection of CIA Installation

1. This Agency is in receipt of a copy of a report submitted by Colonel W. E. Griffin, IGD, covering an inspection made of the West Coast station of the Foreign Broadcast Information Branch of this Agency. This inspection was apparently made under the provisions of AR 20-10 requiring annual general inspections of Army activities. Colonel Griffin is assigned to the Ft. Lewis branch office of the Office of the Inspector General, Headquarters Sixth Army.

2. As you know, the Central Intelligence Agency is not a part of the National Military Establishment, and its activities are under the direct jurisdiction of this office, not subject to Army jurisdiction.

3. It is requested that the Commanding General, Sixth Army, be informed and instructed to direct his Inspectors General not to make inspection visits to installations of the Central Intelligence Agency, without previous request from this Agency.
